3. All these OAs are being contested.

4. I have heard the learned counsel for the parties and gone through the records of the case.

5. The case of ~~Shri~~ J.N. Pandey was taken up as a leading case. Shri K.B.S. Rajan, Counsel appearing for the applicants submitted that all these ~~transfer orders~~ are against the existing guidelines for the post of Assistant Director/Deputy Director.

The counsel for the applicants then submitted that according to this policy, a tenure of 4 years in Delhi and 3 years ^{allowed} outside Delhi has to be normally ~~4~~, but all these applicants are not being allowed to complete the tenure in Delhi and are being sent outside. Though the order of transfer in all the cases show that because of the exigency of service these persons are being transferred outside Delhi but the fact remains that the vacancies are available in Delhi itself so these persons should be accommodated in Delhi itself.

6. Taking up the case of Shri J.N. Pandey, the counsel for the applicant submitted that Shri Pandey was promoted from the post of Assistant Director to the post of Deputy Director and was transferred to Chennai vice Shri D.C.R. Azad. Though another vacancy was likely to arise and applicant had requested by representation that even if his promotion is postponed for a period of one month or so, but he may be adjusted in Delhi itself ^{is further submitted that} and should be allowed to complete the normal tenure. ~~It~~ despite that another person has also retired and another vacancy had become available, so the applicant can be adjusted in Delhi itself.

7. Counsel for the respondents agreed to consider the request of the applicant Shri Pandey.

8. The counsel appearing for Shri D.C.R. Azad submitted that ^{he} since ~~has~~ been transferred to Delhi on compassionate grounds so he should also be allowed to join at Delhi.

9. In reply to the above, the learned counsel appearing for the respondents in all the ~~10~~ As agreed that since vacancies have become available, the department will re-examine the position and will adjust the applicants as far as possible in Delhi itself.

10. Accordingly, the OAs are disposed of with a direction to the respondents to see to it that all the applicants, if possible are adjusted in Delhi itself within the framework of the policy for the completion of their tenure in Delhi. This exercise may be carried out within a period of 2 months from the date of receipt of a copy of this order. No costs.

11. In view of the above, CP 175/2002 in OA 832/2002 may be listed on 5.9.2002, ~~as being a case of a writ.~~
