O R D E R (ORAL)

By Mr. S.A.T. Rizvi, Member(A)

The applicant seeks financial upgradation under the ACP Scheme. It appears from Annexure 'D' that the applicant got one promotion by way of in-situ promotion w.e.f. 1.4.91. In normal course therefore, he will become entitled for second financial upgradation under the ACP Scheme on completion of 12 years from 1.4.91 i.e. his claim for second financial upgradation will become ripe for

consideration in the year 2003.

2. From the aforesaid Annexure 'B' and Annexure 'C', it also appears that the respondents are in the process of ascertaining the relevant facts so as to ^{be able to} consider the applicant's case for second financial upgradation at the appropriate time. This being the case, we feel that the interests of justice will be duly met by disposing of the present O.A. at this very stage with a direction to the respondents to ascertain the relevant facts as expeditiously as possible and in any event within a period of two months from the date of receipt of a copy of this order and thereafter proceed to consider the applicant's claim for financial upgradation under the ACP Scheme. We direct accordingly. O.A. is disposed of in the aforesated terms.
