O R D E R (ORAL)  
(HON'BLE DR. K.B. SURESH, MEMBER (J))

We heard the matter. Apparently our order was upheld by the Hon'ble High Court but it is also true that there are some other matters pending on the same nature in the Hon'ble High Court. Against our order a Review Petition was filed but unfortunately for the respondents herein it could not be taken up because the nature and combination of the Bench has changed and therefore it is not possible to be taken up now. Therefore, we had discussed the matter with the learned counsels. Since this is a matter to only grant certain financial benefit to the original applicant, the respondents have raised an issue that suppose they win in the Review Petition then, since the applicant is a retired person, it will be very difficult to recover the money back from him. This we think is a reasonable argument. Therefore, we had discussed with the learned counsels the possibility of the applicant providing a bank guarantee for the equivalent sum. Shri Obalappa, learned counsel for the applicant, is in agreement. Therefore, let the respondents inform the amount which will be due to him within the next two weeks. Within two weeks thereafter let the applicant produce a bank guarantee to the

satisfaction of the respondents along with an undertaking that this can be immediately withdrawn by the respondents if the Hon'ble High Court passes an order which will be against the interest of the applicant in terms of the proportion of the Hon'ble High Court judgment. Both these elements of activity shall be completed within the next one month.

2. Therefore, on this solemn undertaking from both sides, CP is dismissed but with liberty. Notices are discharged. No order as to costs.
