Heard. The matter relates to employees wanting to return to the fold of GPF, even though they had given the option to EPF at an earlier stage. We had heard all the counsels in great detail. We are of the opinion that even though it may have some extra economical issues for the respondents, the choice of the employees need not be restricted and at least to re-opt must be given to them. Because, otherwise their life and livelihood will be diminished greatly. One mistake everybody must be allowed to do. But then they must also be made to bear the brunt of it and not put it on the shoulders of the respondents alone. Therefore, after having discussed with all the counsels, we pass the following order:

1. Applicant will be allowed to cross over to GPF if she makes a clear cut application along with an undertaking to bear the brunt of administrative efforts newly needed on her behalf.
2. After discussing with the learned counsels, we have decided that we will follow the decision of the Hon'ble High Court of Karnataka in the matter of rate of interest for the money she has received into her account in EPF from the Government. She will have to pay an interest calculated from time to time at the rate of 15% as fixed by Hon'ble High Court of Karnataka.
3. Let the applicant pay the administrative charges at Rs.50,000/- to the Government. She will be allowed to do so within the next one month, that is give a fresh option, give an undertaking and also pay Rs. 50,000/- to the Government's exchequer, which ever heads of accounts they decide.

4. One month next, she will change over to GPF fold.

OA allowed as above. No costs.

MA for condonation of delay allowed.
