HON'BLE SHRI CV. SANKAR, MEMBER(A)

1. In this case an interim order was given for continuing the applicant stating that his children are studying and therefore, transfer shall not be effected in the mid-academic session. The respondents have contended that all his children are already grown up and therefore, no relief can be granted citing education of children. They have stated in para 6 of the reply that his first daughter is already married and settled. Second daughter is aged 22 years and son has also completed 18 years of age. Therefore, it is clear that a wrong statement had been made at the time of filing the application. Annexure A-3 is also patently false. However, since the academic year has already come to an end, there will be no point in taking any action against the applicant at this juncture. Had the respondents come up with the factual reply within a short time after the interim order, a different position could have been taken.

2. OA is, otherwise, dismissed. No order as to costs.
