ORDER (ORAL)

HON'BLE DR.K.B.SURESH **...MEMBER(J)**

We heard the matter. Apparently the applicant was granted, admitted by the applicant also, the 2nd ACP by a mistaken interpretation of a direction issued that after 24 years, ACP is to be granted. Therefore on 23.01.2009 he became the recipient of that. By then on 01.092008 MACP had come into force and he was not fit.

2. It does not end there. Even then he was granted the 3rd MACP also. Now the applicant contends that on the basis of White Washer's Judgment that cannot be recovered from him. But it has come out that he was the Accountant, who was in-charge. Hon'ble Apex Court held that White Washer's Judgment does not apply

to those who had juncture in grant of such wrong payment. It appears prima facie that the applicant had a role in it. Therefore, he may not be eligible to contend at this stage that it cannot be recovered from him. However, we make it clear that it can be recovered in instalments from him, so that livelihood and life is not unduly threatened.

3. OA is therefore dismissed. No costs.
