- b. To direct the respondents to calculate all service benefits including the pension benefits in accordance with prayer (a)

.10.

c. Grant such further and other reliefs as the nature and circumstance of the case may require.

12. The respondents have filed reply statements wherein they have stated that Commission Bearers are not eligible for counting of their period of engagement as Commission Bearers as qualifying service for the purpose of pensionary benefits under Rules 14, 24 and 31 of the Railway Services (Pension) Rules, 1993. There is no statutory provision to reckon the period of engagement of the Commission Bearer for service and pensionary benefits.

13. We have heard learned counsel for the applicant and learned counsel for the respondents and also perused the pleadings available on records. This matter has been settled by various orders of this Tribunal which were confirmed by the High Court concerned when they were challenged before it. This Tribunal as recently as in November, 2019 again passed orders on the subject in O.A.Nos.180/00289/2018 and connected cases. The relevant portion of the order reads as under :

7. The issue involved is covered by the orders of this Tribunal in O.A No.417/2013 and connected cases. In that case, an identical question was considered and this Tribunal issued a direction to the Railway Administration to count half the service rendered by the applicants in the above case as Commission Bearer/Salaried Commission Bearer before their regular absorption while calculating pension and other terminal benefits on the analogy of the provisions contained in Indian Railway Establishment Code that half the service rendered by the casual labourers who have joined on temporary status till regular absorption on the post are entitled to count the period for pensionary purpose. In the aforesaid order, this Tribunal relied upon the decisions of this Tribunal in O.A 440/2003, 311/2010 and a decision of the Madras Bench of this Tribunal in O.A 360/2011. In all these cases, the orders passed by this Tribunal were not interfered with when those orders were challenged before the High Court concerned.

8. In view of the decision of this Tribunal in O.A No.417/2013 and connected cases, this Tribunal is of the view that the applicants in these present cases are also entitled to the same benefits as their case is similar in nature. The respondents are directed to extend similar benefits to the

applicants in these cases as well. In respect of O.A Nos.200/2019, 203/2019 and 199/2019, it is contended that only gratuity alone was granted to the applicants during their first litigation. It is made clear that the respondents shall, in terms of this order, re-fix the pay and other service benefits including MACP and arrears etc thereto and same shall be reckoned for the purpose of calculating the pension and pensionary benefits also. This order shall be issued by the railway authorities within a period of three months from the date of receipt of a copy of this order. Applicants are directed to produce requisite proof of the period of engagement as Commission Bearer/Vendor before the respondents within a period of one month from the date of receipt of a copy of this order which shall be duly acted upon by the authorities.

9. These Original Applications are allowed as above. No costs.

14. In view of the position settled as above, we have no hesitation in allowing these applications by directing the respondents to extend similar benefits to the applicants in these cases as well. It is made clear that the respondents shall, in terms of this order, re-fix the pay and other service benefits including MACP and arrears etc. thereto and same shall be reckoned for the purpose of calculating pension and pensionary benefits also. This order shall be complied with by the railway authorities within a period of three months from the date of receipt of a copy of this order. Applicants are directed to produce requisite proof of the period of engagement as Commission Bearer/Vendor before the respondents within a period of one month from the date of receipt of a copy of this order which shall be duly acted upon by the authorities. There shall be no order as to costs.
