Ch. Staff & Welfare Inspector"

6. It is evident from supra that the Welfare Inspector conducted the enquiry and gave his report. It is discernible that no report from School Authority is forthcoming to prove that the Transfer Certificate in question was not issued to the applicant. Penury, however, is not disputed.

7. Under such circumstances, this Tribunal feels it expedient in the interest of justice to quash the order dt. 30.07.2014 and direct the respondents to approach the school authorities to find out whether the T.C. submitted by the applicant is a genuine one and based on their revelation, to act further in accordance with law.
8. Let appropriate order be issued within 2 months from the date of obtaining such certificate.
9. The O.A. accordingly stands disposed of. No costs.
