ORDER(ORAL)

Hon'ble Mr. Justice L. Narasimha Reddy, Chairman

The applicants were working as Head Clerks in the Prasar Bharti,
in the year 2014. Promotion from that post is to that of
Administrative Officer. Under the recruitment rules, the eligibility is

stipulated as seven years combined service in the post of Head Clerk/Accountant/Senior Store Keeper in All India Radio (AIR)/Doordarshan. A draft eligibility list was published on 30.06.2014, indicating the names of the persons, and the combined service to their credit. The applicants are said to have submitted their objections to the draft eligibility list. Taking the same into account, the respondents published a final eligibility list dated 20.11.2014, almost reiterating the draft eligibility list. This OA is filed challenging the list dated 20.11.2014, with a prayer to declare the private respondents herein, ineligible to be promoted to the post of Administrative Officer and to direct the respondents to exclude them from consideration.

2. The applicants contend that though the private respondents were promoted to the feeder categories at a belated stage, conferring eligibility from earlier years, is contrary to the relevant rules.

3. Counter affidavits are filed on behalf of respondent nos. 1, 2 and 3 and some of the private respondents. They submit that the feeder category comprises of several posts and a combined seniority was prepared, strictly in accordance with the relevant provisions of law. It is also stated that, the so called discrepancy occurred on account of the fact that, though the eligibility test for promotion to

the feeder category posts was held across India, but the issuance of orders of appointments and postings were delayed to some candidates, on account of the pending litigation and that, in turn, has been rectified, while preparing the eligibility list.

4. We heard Sh. M. K. Bhardwaj, learned counsel for the applicants, Sh. Rajeev Sharma, learned counsel for respondent nos. 1 to 3 and Sh. Yogesh Sharma, learned counsel for private respondents.

5. Basically, the OA itself is not maintainable. Reason is, that except raising objections for the inclusion of the private respondents in the eligibility list, the applicants did not state as to how, they would be benefitted, in case the private respondents are excluded. There is not even a consequential prayer for inclusion of the names of the applicants in the eligibility list.

6. In the course of hearing, we noticed that such a prayer was not made on account of the fact that the induction of applicants, to the feeder category post was long afterwards and they did not have the stipulated period of seven years to their credit, by the time the OA was filed. Once the applicants were not even eligible to be

included in the list, they cannot take exception to the process initiated by the respondents.

7. We do not find any merit in the OA and accordingly the same is dismissed. There shall be no order as to costs.
