O R D E R (By Circulation)

By Hon'ble Shri S.A.T. Rizvi, Member (A) :

The present RA has been filed seeking review and recall of the Judgement & order dated 17.5.2001 passed by this Tribunal (Single Bench) in OA No. 1251/2001.

2. After a perusal of the aforesaid RA, I find that the review applicants have, by and large, attempted a re-argument of the case by agitating once again some of the issues which they had raised in the aforesaid OA. The points raised in the aforesaid OA and the arguments advanced on behalf of the applicants were considered by the Tribunal at sufficient length before deciding the aforesaid OA.

3. The ground taken in the RA is that all the relevant facts of the case could not be placed before the Tribunal at the time of consideration of the OA. The review applicants have in particular advanced the argument that the applicants being Class IV employees could not supply all the relevant details to their advocate in the O.A. According to them, the applicants could have been considered for

regularisation in terms of the Scheme of 1993 which has been applied to post 1993 cases also. The aforesaid plea, I find, was not taken at the time of consideration of the O.A. and no time was sought by the applicants to enable them to place any other material/record before the Tribunal. In the circumstances, the aforesaid plea taken in the RA has little force and deserves to be rejected.

4. After further consideration of the matter, I also do not find any error occurring on the face of the record nor I find any other justification which may require review of the aforesaid order under Order XLVII Rule 1 of the CPC read with Section 22 (3) (f) of the Administrative Tribunals Act, 1985.

5. In sum, the present RA is rejected.
