ORDER

S.R. Adige, VC(A):

Applicants seek a direction to transfer immediately the incumbent of common post of Chief Engineer (P & S) CPWD to his civil cadre post of CE (Civil) and fill the common post of CE (P&S) by regular promotion of Superintending Engineer (Electrical) to CE (Elec) counting from a date earlier to the date of DPC proceedings for regular promotion of respondents No. 4 and 5 as Chief Engineers (Civil) with consequential benefit.

2. Heard both sides.

3. The question of granting the relief prayed for, namely the transfer of the incumbent of the common post of CE (P&S) to his Civil cadre post to enable it to be filled by promotion of an SE (Elec) to which grade applicants belong, would arise only after there is an approved panel of Supdt. Engineers (Elec) available for making promotions as CE (P&S) and it is established that applicants are on that panel.

4. In the absence of any materials furnished by applicants to establish the same, this OA is clearly premature and is therefore dismissed. No costs.
