O R D E R (ORAL)

S. R. ADIGE, VC (A)

Applicant seeking a direction to the respondents to pay them the salary for the periods mentioned in Column 5 of the statement at Annexure A-1.

2. Applicants who are 14 in number, aver that they worked during the period(s) April to July, 2001, but they have not been paid for the same. The dates during which they claim to have worked within the aforesaid period, is shown against their names in Column 5 of the statement Annexure A-1.

7

3. Respondents in para 4.15 of their reply assert that applicants are not entitled to payment for the aforesaid period(s), since they were not carrying <sup>out</sup> duty in teaching work, but ~~have~~ been engaged by the Principals in connection with examinations being conducted by the Board of Technical Education, for which remuneration has already been paid to them.

4. In this connection, our attention has been invited to a certificate dated 17.5.2001 issued by the Principal, Aryabhat Polytechnic, Delhi (copy taken on record) certifying that some of the applicants in the present OA are shown to have been deputed from 20.5.2001 to 14.7.2001 for physical verification of the library books. Prima facie, this certificate does establish that at least some of the present applicants whose names are mentioned therein, were called for duty at Aryabhat Polytechnic during the period for which they are claiming salary, and we find no good reason why respondents should not accept the aforesaid certificate, and act upon it.

5. Similarly in the case of another applicant Sh. Prakash Chand, it has been certified that he attended the Bhai Permanand Institute of Business Studies during the period 19.6.2001 to 15.7.2001 and herein ~~also~~ we find no good reason why respondents should not accept the aforesaid certificate and make payment to him accordingly.

6. In respect of other applicants regarding whom no such certificates are available, respondents should verify whether they actually did work during the aforesaid period in any of the <sup>institutions</sup> ~~polytechnic~~, and after obtaining necessary clarification should pay them, if it is found that they did work during that period.
