The present OA is disposed of at the admission stage itself by resorting Rule 15 of CAT (Procedure) Rules. The applicant who has been accorded temporary status by the respondents w.e.f. 1.9.95 is seeking regularisation in pursuance of the DOPT Scheme of 1993. It is contended that his claim is prospective despite he had worked with the respondents for more than last 10 years. On the other hand the respondents stated that the applicant has been accorded temporary status and shall be considered for regularisation as per the DOPT scheme of 10.9.93 and on availability of a
