previous five consecutive dates since 9.5.2000, none has been appearing for the applicants. In the circumstances, it appears that after seeing the averments made by the respondents in their reply, the applicants are satisfied that they have no case on merits and are not interested in pursuing the case. The respondents have stated that the applicants were engaged for a specific work for a specific period and after the expiry of that period, their engagements came to an end. So they have been disengaged in accordance with the relevant rules and instructions. They have also stated in their reply that in the circumstances of the case, the OA may be dismissed at the admission stage. These averments appear to ^{have been} ~~be~~ accepted by the applicants.

2. In the above facts and circumstances of the case, as there is no merit in this application, the OA is dismissed. No order as to costs.
