O R D E R (ORAL)

Justice V.Rajagopala Reddy..

The applicants are working as Proof Readers at Govt. of India Press, Faridabad, in the present scale of Rs. 4000-6000/-. It is the grievance of the applicant that the Feeder Cadre post of Proof Reader i.e. the post of Reviser is also placed in the same scale of Rs. 4000-6000/-, thus equating the post of Proof Readers with the feeder category of Revisers. The duties and responsibilities of Proof Readers and Revisers are totally different and the Proof Readers have higher responsibilities than the Revisers, being the promotional post. The present OA is, therefore, filed seeking revision of the pay scales of Proof Readers.

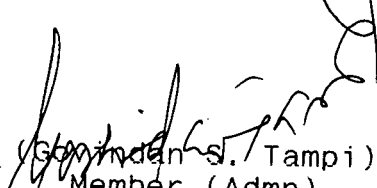

2. Heard the counsel for the applicant and the respondents. It is admitted that the Proof Reader is a promotional post and was to be filled by examination from amongst Revisers and copy holders and those who are qualified are to be appointed as Readers. It is stated that the implementations of the recommendations of the 5th Pay Commission, the scales of Proof Readers and Revisers which was different earlier, were merged in the pay scale of Rs. 4000-6000/-. It is denied that the duties and responsibilities of the Proof Readers and Revisers are different, and that the pay scales have been merged by the Pay Commission keeping in mind the duties and responsibilities of Proof Readers and Revisers

being almost identical in nature.

3. We have given careful consideration to the arguments advanced by the learned counsel for the applicant and that of the respondents. Though, it is seen that the pay scale have been merged on the implementation of 5th Pay Commission's recommendations, it is not denied that the Feeder Cadre for promotion to the post of Proof Reader is the Reviser and it is also not denied that the Recruitment Rules have not been amended merging the posts of Proof Readers and the Revisers. It is also seen from the intra departmental communication dated 8-12-99 that the posts of revisers and Proof Readers continue to exist separately though the scales are identical w.e.f. 1-1-96. Reader's post being a promotional post to Reviser, its duties should be different and should have higher duties and responsibilities. Headquarters was directed to take up revision of the scales of Readers. Thus the case of the applicant has been squarely admitted by the department itself that the duties and responsibilities of the Readers and Revisers are different and the posts are not being merged. In the circumstances, it justified that the Proof Reader's scale should be revised. The OA is, therefore, disposed of with a direction to the respondents to consider the question of revision of the pay scales of the applicants and revise the same within a period of three months from the date of the receipt of the copy of this order. No costs.
