ORDER (ORAL)

V.K. MAJOTRA, MEMBER (A):

Learned counsel for the respondents has filed a copy of letter dated 15.12.2000 issued to him by CSIR conveying that in compliance of the order of this Tribunal a Committee has been constituted to formulate the Scheme. The Committee has prepared a draft Scheme which is being placed before the Governing Board of CSIR for consideration and the same is in finalisation stage. Normally, it will take about 3 or 4 months time to

finalise and approve the Scheme. The respondents counsel has also stated at the bar that the case of the applicants will be considered in terms of approval of the Scheme. In our view now that effective steps have been taken by the respondents for formalisation of the Scheme. In our view there is no need to proceed with the Contempt action against the respondents. The notice against the respondents is discharged and the CP is dismissed having become infructuous.
