By Reddy, J.-

A direction was given by the Tribunal, directing the respondents that if they have job, they are directed to ensure that the applicant gets consideration for re-engagement in preference to freshers and outsiders. It is now stated in the reply that the petitioner is not an employee of the school. He is only an employee of the Parents Teachers Association. Hence, the direction issued by the court is on account of an assumption that the applicant was the employee of the School.
