2. In the counter the allegation was denied. It was stated that a comprehensive contract was given for installation and other related activities of the Coolers. It is true that the petitioners have given the names of certain persons who are said to have been engaged contrary to the direction. But since the respondents had denied the said assertion and no material is placed before us in support of the allegation made by the petitioners, it cannot be said that the respondents have violated the orders. The CP is, therefore, dismissed. Notice discharged. No costs.
