Respondents No.003 to 1124 through the respondent No.002.

...Respondents.

(By Advocate: Shri K.R.Sachdeva)

ORDER

S.R.Adige, VC(A):

In the OA applicants impugn respondents' seniority list dated 4.7.87 (Annexure-A1) and dated 16.6.97 (Annexure-A2), which according to them has been prepared by ignoring the principles laid down in Respondents' OM dated 22.12.59 (Ann-A5)

69

and in contravention of the provisions of para 7 of OM dated 7.2.86 (Annexure-A3). They seek recasting of the seniority list with consequential benefits.

2. During hearing of the OA applicants' counsel Shri Gupta stated at the bar that he was not pressing the challenge to the seniority list dated 4.7.87 (Ann-A1). We shall therefore address ourselves to applicants' challenge to the seniority list dated 16.6.97 (Annexure-A2).

3. By the aforesaid O.M dated 7.2.86 the practice of keeping vacant slots has been done away with. Applicants who were all directly recruited in 1987 well after issue of aforesaid O.M dated 7.2.86 in effect seek revision of seniority by being adjusted against vacant slots from 1982 onwards. They seek support from para 7 of OM dated 7.2.86, which states that in respect of vacancies for which recruitment action has already been on the date of issue of the OM, seniority would continue to be determined in accordance with the principles in force prior to its issue.

4. Respondents in their addl. affidavit have pointed out that a ban on creation/appointment of new posts was imposed up to 30.4.84, and only on lifting of the ban <sup>much after 7.2.86</sup> was recruitment action initiated, for filling up the posts in question by order dated 26.6.87, resulting in the appointment of applicants during the course of 1987. This assertion has not been successfully rebutted by applicants in their reply to the addl. affidavit, and hence no advantage accrued to them as a result of para 7 of OM dated 7.2.86.

5. The OA therefore warrants no interference. It is dismissed. No costs.
