quarter till the decision of the said appeal. The respondents have filed a reply though the same has not come on record as yet.

2. Today when the matter came up for hearing, the learned counsel for the respondents has stated that the respondents have no objection to allow the applicant to continue in the said quarter till such time his appeal is finally disposed of by the appellate authority. Since the respondents themselves are ready to grant the relief which the applicant has sought in this OA, I allow the OA and direct the respondents that the applicant may be allowed to continue in the said premisses till the disposal of his appeal.

The OA is disposed of as above. No Costs.
