ORDER (By circulation)

Hon'ble Smt. Lakshmi Swaminathan, Member(J).

This is a Review Application filed against the judgement/order dated the 5th June, 1996 in O.A. No. 282/94. We have carefully considered the Review Application and are satisfied that the same

B/

51

can be disposed of by circulation under Rule 17(iii) of the CAT (Procedure) Rules, 1987.

2. One of the grounds taken in the Review Application is that the applicants have found new and important evidence having material bearing on the case, i.e. the letter No. F.5-44/82-Sch.6 dated 27.3.1982 and No. F.30-3(38)/82-Coord dated 31.8.1982. On the basis of these letters further arguments have been advanced. No reasons have been given why these letters which have now been produced could not have been produced at the time of final hearing or before the impugned order dated 5.6.1996 was passed. Hence, this ground is not tenable and is rejected.

3. Apart from the above, the applicants have submitted that there are errors apparent on the face of the record. On a perusal of the Review Application, it is clear that what the applicants are trying to do is to reargue the case and their allegations that there are errors, are no errors at all but are, in fact, findings and conclusions reached on the basis of the pleadings and other material on record. These cannot be held as errors apparent on the face of the record so as to bring this application within the limited scope and ambit of ^{the} provisions of Order 47 Rule 1, CPC. In the garb of the Review Application, what the applicants are actually trying to do is to seek an appeal against the judgement. If the applicants feel that the judgement is wrong,

JS

52

then the remedy lies elsewhere in accordance with the law. They cannot use the instrumentality of the Review Application for this purpose, contrary to the settled position (See Thungabhadra Industries Ltd. Vs. Govt. of Andhra Pradesh (AIR 1964 SC 1372) and Chandra Kanta Vs. Sheikh Habib (AIR 1975 SC 1500)).

4. In the above circumstances, the Review Application is accordingly dismissed.
