The applicant has filed MA.772/96 in RA.70/96
in OA.1124/94 for condonation of delay in filing the
Review Application. The MA is allowed.

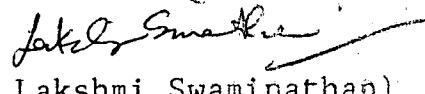

RA.70/96 in OA.1124/94 has been filed by the
applicant for review of this Tribunal's order in
OA.1124/94 decided on 24.1.1996. We have seen the
Review Application and have heard the learned
counsel for the applicant again and Shri M. M.
Sudan, the learned counsel for respondents. A mere

perusal of the Review Application shows that what the applicant is attempting to do is, to re-argue the case. If the applicant is aggrieved that the judgement in OA.1124/94 is wrong, then the remedy lies elsewhere in the form of appeal; but the instrument of a Review Application cannot be used for this purpose. None of the grounds provided under Order 47 Rule 1 of CPC has been shown in the Review Application which justifies a review of the order dated 24.1.1996. The main grievance of the applicant is that in accordance with the Office Memorandum dated 24.11.1983, the applicant ought to have been given a second opportunity to exercise the option. This ground has already been dealt with in paragraphs 5 to 10 of the judgement. In the circumstances, no ground for review of the impugned order has been made out and accordingly the Review Application is dismissed.
