ORDER (ORAL)

Hon'ble Shri N.V. Krishnan, Acting Chairman

The applicants are aggrieved by the fact that the recovery made from the applicants in respect of Training Allowance is not being refunded to them.

The applicants rely on the decision of the Tribunal, particularly in O.A. 1208/93 decided on 24.11.93 (Annexure A-4). That judgement also gives the facts of the case which cover the present applicants also.

2. The Department of Personnel and Training had by their O.M. dated 9.7.92 reduced the Training Allowance from 30% to 15% of the basic pay in cases of all Government employees. It is also provided that in respect of persons on deputation to Training Institutions they could exercise an option to either continue in the Training Institutions subject to the above decision or they could opt to go back to their parent department.

3. The applicants therein were working in the Police Training School, Jharodha Kolan. It is averred that the aforesaid OM of the DEPT was communicated to the Delhi Administration only on 14.12.92 which was received by the

applicants therein on 10.3.93. They were, therefore, denied the opportunity to exercise their option.

4. That Bench noted that <sup>in a</sup> similar matter decided by the Ernakulam Bench of the Tribunal it was held that a period of one year from 9.7.92 the date of issue of the order by the DUPT-should be treated as <sup>a</sup> reasonable period to keep all persons informed, in order to exercise their option and therefore there should be no recovery for a period of one year from 9.7.92 and that recovery could be effected thereafter in respect of persons who continue in the Training Institution. Relying on that order the D.A. was disposed of with a direction not to reduce the Training Allowance from 80% to 75% for a period of one year from 9.7.92 and in case any reduction has been made, the recovery should be refunded to the concerned persons.

5. The applicants state that they are also working in the other similar Training Centres in the 4th En. and <sup>have</sup> prayed the same relief. In their case it is complained that as a result of belated implementation of the orders, recoveries have been effected. They, therefore, pray that the amount recovered from the applicants be refunded to them.

6. A reply has been filed by the Deputy Commissioner of Police, IVth BN DAP, Delhi. Shri Surat Singh, the learned counsel, however, clarifies that this reply is on behalf of Respondents 2 to 4 only. The facts mentioned in the OA are admitted. It is also stated that the applicants made applications for refund for the period from 9.7.92 to 31.1.93 when the recovery was effected. The bill for refund was submitted to the PAO-IV Tis Hazari which was received back with the following remarks "that the Finance Department of Delhi Govt. is competent authority. Hence necessary action regarding refund of Training Allowance be availed." There is no other reply submitted by the respondents.

7. We notice that the Ernakulam Bench of the Tribunal has given <sup>a</sup> general declaration in this regard as can be seen from the following extract of their order.

"However, having regard to the facts and circumstances of this case, we are satisfied that a period of one year from the date of impugned order viz. 9.7.92 would be a reasonable period, and that much time should have been given to the applicants for taking their decision as to whether they should continue in the present post of Lecturer/Instructor with the reduced rate of 15% or to return to their parent department. In this view of the above position while rejecting the applications we direct the respondents not to effect any deduction from the salary/emoluments of the applicants or to make any recovery from them on the basis of the impugned order for the aforesaid period of one year from 9.7.92."

*[Signature]*

In the circumstances, we direct <sup>the</sup> /fourth respondent (i.e. Commissioner of Police) to sanction the refund to the applicants in respect of recoveries made from them. In case the power of refund is with him, This shall be done within a period of two months from the date of receipt of this order. In case he does not have such powers, he is directed to approach the concerned authority, whether it is respondent No.1 or Respondent No.2, within a period of one month from the date of receipt of the order, and in case such a proposal is received, Respondent No.1 or respondent No.2, as the case may be, shall accord sanction to the refund in the light of the judgement of the Ernakulam Bench of the Tribunal as quoted above. U.A. is disposed of accordingly.
