### O R D E R (ORAL)

Dr Jose P. Verghese, VC(J)

The relief sought in this application is that the respondents have discontinued the payment of Cycle Allowance which according to the applicants they are entitled to, under the rules.

The appropriate orders were passed in this regard, as previous occasions in the year 1994, 1995 and some period in 1996 by the respondents themselves, and it is also shown to us that similar orders have been passed in the year 1997 also.

The rule in this regard is the one extracted at page-27 of the paper book according to which the respondents are to satisfy themselves before passing appropriate orders on grant of Cycle Allowance Advance whose duties attached to a post held by a particular incumbent necessitates extensive travelling within a radius of eight kilometers from the permanent place or at outstation and the daily allowance is not drawn.

Since this fact is to be verified in each case and each post with reference to the persons who are availing the said facility, and in the absence of the order passed by the respondents under this rule, this court does not have the competency to give a direction to pay Cycle Advance to the applicants. The applicants have already a representation which happened to be rejected summarily without stating any reason why their case was not considered under the said rules.

In the circumstances, the respondents shall consider the cases of the applicants individually with reference to the posts as well as duties in the light of the provisions under the rules referred above, and pass an appropriate order within six weeks from the date of the receipt of a copy of this order. We are giving this direction for the reason that there may be other similarly placed persons as well who may require similar orders. The respondents shall pass the orders strictly in accordance with the rules, taking into account all the factors specified in the statutory rules as well and thereafter communicate the same to the applicants within the stipulated time. In case the applicants are aggrieved by any further inaction,

liberty is given to approach this court.

With these, the OA is disposed of. No order  
as to costs.
