We do not find any error apparent on the face of the record nor any substantial mistake has been brought to our notice. The OA was disposed of directing the respondents to reinstate the applicant in service on certain conditions. It was made clear that the applicant was entitled to count the intervening period for the purposes of seniority, increment and promotion. In the RA the applicant requests for granting back wages for the period he was out of service and submits that Tribunal erred in not granting the same.

2. This prayer was impliedly rejected by the Tribunal as it is specifically stated that the said period was entitled to be counted only for the purposes of seniority, increment and promotion. The same cannot be granted by way of a review.

3. The RA is therefore dismissed. No costs.
