O R D E R (ORAL)

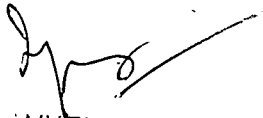

Dr Jose P. Verghese, VC(J)

The grievance of the applicant in this case is that the respondents have excluded giving the offer of appointment to the applicant by some mistake, in the course of selection. It was stated that during the selection and computation of marks awarded, certain changes have been brought about in the mark list. According to the applicant, he gathered from reliable sources that he had obtained 20 marks in Trade Test and 20 marks in oral interview.

Contd-2

2. We have perused the record and we find that the applicant has obtained 13 marks in Trade Test and 25 marks for the interview. Even assuming the first part of the contention of the applicant is correct, the applicant should have got another 7 marks and that would have made a total of 45 marks in the over all grading (38 + 7). We have seen the merit list of the Scheduled Caste category and there are 4 persons who have obtained above 45 marks in the merit list. That being so, and on the basis of the statement by the respondents that there were only 3 posts reserved for Scheduled Caste, even assuming that the contention and apprehension of the applicant is correct, still he stood no chance of getting promotion.

3. In view of this, this OA is dismissed as devoid of any merit. No order as to costs.
