The applicant is aggrieved by the action of respondents in dispensing with his services w.e.f. 7.12.96. The applicant submits that he has been working satisfactorily with the respondents from 12.4.93 and continued to get salary @ Rs.975/- which was subsequently increased to Rs.1075/-. The said salary was further increased to Rs.1155/-. As per applicant, he is due for temporary status and but for his absence he would have possibly obtained the temporary status for having continued in the work for more than three years. The applicant would further contend that he has not been re-engaged illegally though his juniors have been allowed to continue ignoring his superior claim. That apart, the respondents have forced him to work under a contractor.
