Both these petitioners submit that they have undergone training and the same has been declared to be successful alongwith three other juniors to the petitioners. Since the respondents have already considered and promoted the

juniors to the petitioners, these petitioners are also entitled to be considered for promotion in accordance with Rules.

Notices were issued to the respondents and more than one opportunities have been given to them but none appears on their behalf. In the circumstances, we allow this OA to the extent that the respondents are directed to consider the promotion of the petitioners in accordance with Rules. In case the petitioners are found fit for promotion under the rules and in case respondents have promoted the juniors to the petitioners, the respondents are directed to give effect to the promotion orders which would be then passed from the date on which their juniors have been promoted.

With the above observations/directions this OA is disposed of with no order as to costs.
