Hon'ble Mr N. Sahu, Member (A)

In this OA, the prayer is for expunction of the adverse remarks in the entire Annual Confidential Reports for the year 1993-94 and setting aside the same. This application under section 19 coming up for admission was filed on 12th March 1997. A communication regarding the adverse entries in the Annual Confidential Report for the year 1993-94 was sent to the applicant on 26.10.95 which he received on 2.11.95. Against this, he had sent a representation addressed to the Secretary to

Govt. of India, Ministry of Finance - Respondent No.1. This representation has not been disposed of so far inspite of a reminder addressed to him by the applicant dated 27.11.96. As this representation was not disposed of even after waiting for a considerable period, the applicant has filed this application.

2. This application can be disposed of by issuing a simple direction to Respondent Nos. 1 & 2, Secretary, Revenue, Ministry of Finance and Chairman, CB & EC, New Delhi. The applicant apprehends that a DPC for Commissioners of Central Excise & Customs is likely to be held in a very short time and in case his grievance against the adverse remarks is not considered and disposed of, his interests will be adversely affected. The applicant was working as Deputy Director of Publications. His confidential report was initiated by the Director of Publications who was of the rank of Commissioner of Excise & Customs. It was reviewed by the Member, Central Board of Excise & Customs. It is appropriate that his representation should be disposed of by the Chairman, CB & EC to whom, according to the applicant, a copy of the representation had been addressed. I accordingly direct Respondent No.2, the Chairman, CB & EC to consider the representation of the applicant addressed to the Secretary, with a copy to him, dispose of the same ^{in consultation with Resp. No. 1} and communicate the outcome within a period of four weeks from the date of receipt of a copy of this order. The OA is disposed of at the admission stage.
