**O R D E R (Oral)**

The proceedings of 14.11.1995, 11.12.1995 and 23.1.1996 show that the grievance of the applicant relating to the settlement of dues in the form of service gratuity, DCRG, leave encashment were not settled earlier but they were released subsequently. Admittedly, the applicant's counsel stated on 13.3.1996 the respondents have released some of the payments and he wanted to verify the same. On 25.4.1996 it is stated that he has still not verified the same. There was no response on 22.7.1996 and 30.5.1997. There is no response even today. It appears to me that the applicant has lost all interest in pursuing this case as possibly all the service benefits have been released. As there was no response on three dates, the Original Application is dismissed for want of prosecution. No costs.
