ORDER (ORAL)
delivered by Hon'ble Mr. Justice S.K.Dhaon, Vice-Chairman

The Union Public Service Commission (the Commission) on 1.8.1992 notified its intention to hold a Limited Departmental Competitive Examination for promotion of Junior Engineers(Civil) to the post of Assistant Engineers Grade (Civil). The notification also disclosed the intention of the Commission to hold a combined examination for Junior Engineers (Electrical). In this ^{case} we are only concerned with the examination for the Junior Engineers(Civil). The Commission notified that there were 227 vacancies to fill up the posts of Assistant Engineer(Civil). 69 vacancies were reserved for scheduled caste candidates and 34 vacancies were reserved for scheduled tribe candidates. It was clearly notified that "the above numbers are liable to alteration".

The applicants and others appeared in the examination. According to the applicants, sufficient number of SC/ST candidates had not qualified and, therefore, the number of vacancies ear-marked for them could not be filled up. It is applicants' own case that so far general candidates were concerned, the Commission published a list of successful candidates on merits and from that list the candidates were appointed so as to exhaust the vacancies ear-marked for general candidates. It appears that from the remaining

dy

vacancies ear-marked for the Schedule Caste/
Schedule Tribe, general candidates who appeared
at the aforesaid examination are to be appointed.
The applicants feel aggrieved and hence this O.A.

The applicants' contention is that the
exercise of filling up the requisite number of
vacancies initiated by the Commission came to an
end with the declaration of the result of the
examination. After the declaration of the result,
the requisite number of general candidates had been
appointed. The candidates who had qualified for
SC/ST category had also been appointed. To put it
differently, the argument is that even though some
vacancies notified for the examination for 1992
so far as SC/ST categories were concerned, remain
unfilled, the respondents are acting illegally in
transferring those vacancies from SC/ST to the
general category. According to the applicant the
whole exercise having come to an end and there
should be a fresh examination.

Having given a thoughtful consideration to
the matter, we are not inclined to agree with the
submissions made. It is to be presumed that the
remaining vacancies which were earlier ear-marked
for SC/ST candidates would be given to the general
candidates strictly in accordance with the list
prepared by the Commission on merit. We make it
clear that the respondents shall not make any
appointment of any candidate who is not included
in the list prepared by the Commission.

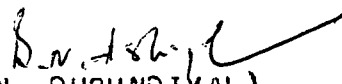

Reliance is placed by the learned counsel
for the applicant upon the case of State of Bihar
and Anr. Vs. Madan Mohan Singh & Ors. (1994(1)SLJ(SC)153).

That was a case where 32 vacancies had been notified and 129 candidates had been empanelled. All the 32 vacancies had been filled up. Thereafter, an attempt was made by the department concerned to create more vacancies and fill up additional vacancies from the candidates who had appeared in the earlier examination and particularly from amongst the empanelled candidates. Such an action was struck down by the Supreme Court on the ground that it was not permissible as the rights guaranteed to under Articles 14 & 16 to others would be violated. This case is clearly distinguishable.

This application has no substance and is dismissed summarily.
