ORDER (By circulation)

Hon'ble Shri N.V. Krishnan, Acting Chairman.

The O.A. filed by the applicant was dismissed by our order dated 10.2.1995. This application has been filed seeking ^{a 2} review of that order. We are satisfied that the Review Application can be disposed of by circulation. We proceed to do so.

2. In the O.A. a writ of quo warranto was sought in respect of the appointment of one Shri Fateh Chand Khuller who was appointed as Scientist Human Resource Development Group by the 3rd respondent.

The O.A. was dismissed because we found that the applicant on his own admission was not the person who would have been appointed if Shri Khullar had not been appointed. Therefore, we dismissed the O.A. In the review application, no error apparent on the face of the record requiring review has been pointed out. Accordingly, the Review Application is dismissed.
