ORDER (By circulation)

Hon'ble Smt. Lakshmi Swaminathan, Member(J).

This is a Review Application No. 188/96 seeking review of the judgement/order in O.A. 1217/95 dated 12.2.1996. M.A. 2147/96 has also been filed by the applicant for condonation of delay in filing the Review Application.

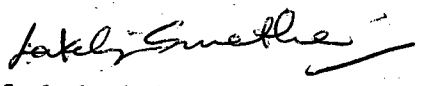

2. No sufficient grounds have been given in the M.A. for condoning the delay of several months. Hence, M.A. 2147/96 for condonation of delay is rejected.

3. Apart from this, even on merits the applicant has not made out any case to review the judgement/order of the Tribunal dated 12.2.1996 in O.A. 1217/95. The prayer in this Review Application is that the Tribunal should review

20

the impugned order dated 12.2.1996 and decide the case in the light of the facts submitted by the applicant in the RA. No error apparent on the face of the record has been pointed out in the Review Application. No new grounds have been raised in the application which could not have been raised at the time when the applicant was heard in support of the Original Application. The applicant's grievance is that the order is wrong but that ~~expression~~ cannot be a ground for review of the order. By merely reiterating the facts which have already been placed before the Tribunal and rearguing the case, the applicant cannot succeed in this Review Application.

4. For the reasons given above, I find no merit in the Review Application also and it is accordingly dismissed.
