O R D E R (Oral)

Justice V. Rajagopala Reddy:

Heard the counsel for the petitioner and also
Mr. Gajender Giri, who is representing by the alleged
contemners.

2. The only direction given by the Tribunal
was to initiate the necessary actions as per rules to
have the services of the applicant regularised against
a permanent post, as and when the same is available.
This direction was issued on the basis of the
statement made by the respondents in the OA that "as
and when a regular post become available, the

applicant will be regularised". The learned counsel for the petitioner submits that the petitioner has been working as Casual Labour for the last 30 years and that he is still not been absorbed permanently.

3. It is now stated by the respondents in the CP that as no permanent post was available the respondents could not regularise his services. In the absence of such situation having arisen in this case, we do not find any cause for complaint. The CP therefore fails and is dismissed. Notices issued to the respondents are discharged.
