This application is supported by an application seeking the condonation of delay. The O.A. was presented in the Tribunal in May, 1994. We have gone through the contents of the application seeking the condonation of delay. We find that no satisfactory explanation has been offered for condoning the delay. Accordingly, it is rejected.

It goes without saying that the applicant like any other citizen of this country is entitled to be considered for a fresh engagement if he is otherwise eligible on merits and in accordance with law, if and when the respondents make fresh recruitments.

With these observations, this application is dismissed summarily.
