through its Director General - Respondent

Order (in circulation)

By V.K.Majotra, Member (Admnv).-

The applicant has filed this review application, inter alia, contending that her total working experience has not been taken into account; DG,CSIR has not discharged his obligation to ensure placement of Senior Research Assistants/ Pool Officers during their tenure and accorded them discriminatory treatment vis-a-vis one Dr.Nandita Singh, who did not have the requisite research experience of 15 years and that the respondents had placed her case with full of misrepresentation.

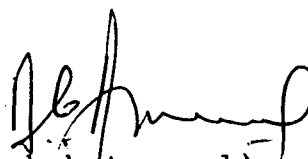

2. Whereas the respondents have admitted and the Court has accepted that barring the case of Dr.Nandita Singh, wherein there was a little shortfall in the term for which relaxation was accorded due to her special qualifications abroad, there has been no deviation in the implementation of the absorption scheme and everyone else had completed the requisite 15 years experience.

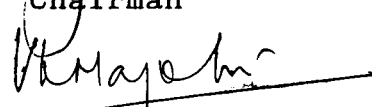

3. The points raised by the review-applicant have been squarely dealt with in the common order in question

:: 2 ::

dated 18.7.2000 passed in OA 922/2000 (filed by the present applicant) & in five other connected cases.

4. We find that the applicant has attempted at re-arguing the entire case afresh, which is absolutely beyond the scope and ambit of a review petition. The review application is accordingly rejected at the circulation stage itself.
