O R E R (Oral)

Shri S.A.T. Rizvi

In OA, being OA-58/2000, in which Assistant  
Engineers and diploma holders <sup>& AEs</sup> were parties, the Tribunal  
issued directions on 5.12.2000 providing, inter alia, as  
under:-

"19 (iii) A review DPC will be held to  
consider promotion of both degree holder  
as well as diploma holder AEs on a  
regular basis to the rank of EE against  
all the pre-1996 RRs vacancies still  
available in the Ministry/Deptt. of  
Urban Development & Employment. The  
review DPC will also consider  
recommending reversion of such of the  
degree holder and diploma holder AEs as  
are found not to possess sufficient merit  
in accordance with the norms devised by  
them.

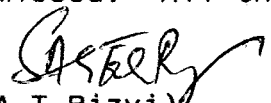

2. The aforesaid direction is sought to be reviewed  
in the present RA filed on behalf of the Assistant  
Executive Engineers (AEEs), who were not parties in the  
aforesaid OA. The issue raised is with regard to the  
number of vacancies that could possibly be filled by  
promoting AEEs and the diploma holder AEs to the post of  
Executive Engineer against the backlog of vacancies  
otherwise earmarked for AEEs. In the Office Memorandum  
of 6.7.1999 (P-3), it has been stated that 430 <sup>& such</sup> vacancies  
were available on the civil side. This figure was

noticed by us at the time of passing orders in the aforesaid OA. The learned counsel appearing on behalf of the review applicants, namely, the AEEs submits that only 279 vacancies were actually available. In the reply filed on behalf of the official respondent Nos. 1 to 4, it has been stated that as many as 314 vacancies on the civil side already stood filled up by promotion. The official respondents have further gone on to say that a Committee has been constituted to ascertain as to how many vacancies were still available. The respondents will proceed to make further promotions <sup>only</sup> after the actual position has been ascertained. Thus, there is no final determination of the exact number of vacancies in the rank of Executive Engineers which could be filled by promoting diploma holders AEs and AEEs. In the aforesaid directions sought to be reviewed, we have merely stated that the vacancies still available could be utilized for promoting the diploma holder AEs and AEEs. We have <sup>avoided</sup> ~~pointed~~ pointing out ~~the~~ <sup>the</sup> exact number of vacancies which could be so filled. In this view of the matter, clearly there is no mistake on the face of the record and, therefore, ~~the~~ Review Application, which is also belated, cannot possibly succeed in terms of Order XLVII Rule 1 of the CPC read with Section 22 (3)(f) of the Administrative Tribunals Act, 1985. Review Application can succeed only in a case where there is an error apparent on the face of the record. ~~This~~ <sup>No</sup> case is made out for reviewing the aforesaid Tribunal's order dated 5.12.2000.

3. The Review Application, in the circumstances, is dismissed. All the MAs stand disposed of <sup>accordingly.</sup>
