4. On the other hand, the learned counsel for the respondents states that they have to verify the claim of the applicant and in the event there is availability of work and the juniors of the applicant are engaging, the claim of the applicant would be looked into as per the instructions on the subject.

5. In this view of the matter, the present OA is disposed of with a direction to the respondents to consider the claim of the applicant after verifying his working periods ibid and further to consider for re-engagement, on availability of work, in preference to his juniors and outsiders. I dispose of the OA accordingly. No costs.
