2. The relief that is claimed in this application is for fixation of pay of the applicant with effect from 1.4.1977 and for disbursement of the consequential arrears. It is admitted in the application that on 14.1.1987, the applicant had filed a representation for fixation of his pay as claimed in the present application but it was rejected by the order dated 5.5.1987. The said order shows that the applicant had already been intimated that there is no case for refixation.

3. The present application is filed only in August, 1988 .

4. The applicant has filed a petition for condonation of delay. The only ground urged is that by entertaining <sup>even</sup> the application/at this stage the rights of no third person shall be affected.
