By Advocate: Shri N S Kariel, for Applicants in all the 52 OAs.

O R D E R (ORAL)**Per : M.C.Verma, Judicial Member**

1 Learned counsel Shri N S Kariel Advocate, at the outset submit that all aforesaid 52 OAs are at notice hearing stage, the issue involved therein is identical and applicant/ applicants are similarly situated, and hence all the OAs may be heard together and common order may be passed. Heard.

2 Learned counsel urged that applicant/ applicants of these OAs were required to be granted Grade Pay of Rs.5400/- upon completion of 4 years of regular service in the Grade Pay of Rs.4800/- in PB-2 by the respondents but respondents did not grant the same and hence being aggrieved these OA have been preferred. He urged that in various decisions it has been held that upon completion of 4 years of regular service in the Grade Pay of Rs.4800/- in PB-2 an employee is entitled to the benefit of grade pay of Rs.5400/-. Learned Counsel urged that previously in similarly situated matters, other employees approached for similar relief, in OA 167 of 2009, before CAT Madras Bench but unfortunately CAT Madras Bench dismissed said OA. That being aggrieved by order dated 19.04.2010, dismissing the OA by CAT, Madras Bench was impugned before Hon'ble Madras High Court, in Writ Petition No.13225 of 2010 and Hon'ble Madras High Court vide its

decision dated 06.09.2010 allowed the Writ Petition and directed to extend benefit of grade pay of Rs. 5400/-. That SLP preferred by respondent challenging the order passed by Hon'ble Madras High Court in Writ Petition No.13225 of 2010, said SLP later on converted into CA No. 8883 of 2011 but vide order dated 10/10/2017 it was dismissed and Review filed also has been dismissed. He referred to said decision/judgments as well decision dated 10/04/18 passed in Special Civil Application No.346 of 2018 by Hon'ble High Court of Gujarat. Mr. Kerial also urged that the legal position is settled that applicants are entitled to the grade pay of Rs.5400/- but the present situation is that the stepping up is available only to those who have approached the Court and that this conduct of respondent is contrary to the direction of Hon'ble Supreme Court.

3 Lastly, learned counsel urged that it is true that these applicants have not made any formal request or made representation to the Respondent Authority to consider their case for grant of the grade pay of Rs. 5400/- however, they approached the Hon'ble High Court of Gujarat in R/SCA No.19273 of 2018 but later on said R/SCA No.19273 of 2018 & batch was withdrawn on 26.12.2018, with permission to take out appropriate remedy under appropriate forum. He concluded that at this stage applicants would be satisfied if they are given an opportunity to submit their representations and respondent authorities may be directed

to take appropriate steps to consider applicant's case and take decision on their representation as early as possible within a given time frame.

4 Considered the submissions. Hon'ble Supreme Court in case titled Government of NCT Delhi & Others V/s. Somvir Rana (TGT ENG) & Others in SLP(C) No.23732 of 2017 expressing concern of matters wherein the question, in principle has been settled but the aggrieved employees have been going to the Tribunal, then to the High Court and thereafter before Supreme Court has observed and laid down that once the question, in principle, has been settled, it is only appropriate on the part of the Government to issue a Circular so that it will save the time of the Court and the Administrative Departments apart from avoiding unnecessary and avoidable expenditure .The present situation, as has been argued is that the stepping up is only given to those who have approached the Court. Expressing nothing on merit suffice it to say that the respondent ought not to be oblivious that benefit of judicial order ordinarily has to be extended to all similarly placed employees, if otherwise they are entitled to and it should not be denied only on the ground they have not approached the Court.

5 This bunch of 52 OAs thus are disposed of with liberty to the applicants to submit their respective representation to the respondents within four weeks and respondents are directed to consider and pass a

speaking order on their said representations, if is received, within six weeks and this period of six weeks shall be counted from the date of receipt of the representation. Needless to say that decision so taken shall be communicated to the applicant and applicant if not satisfied and is advised may approach appropriate forum for redressing of their grievances.

6 With aforesaid observation and direction these fifty two OAs stand disposed of. Pending MA of each OA of this bunch of fifty two OAs also stand disposed of.

7 Copy of this order be kept in all the 52 OAs.
