**O R D E R**

**By Hon'ble Mr. Tarun Shridhar, Member (A)**

Shri Ashish Srivastava learned counsel for the applicant and Shri  
Shesh Mani Mishra, learned counsel for the respondents, both are present  
in Court.

2. Heard learned counsel for both the parties on admission and  
perused the record.

3. The applicant is aggrieved on account of non-selection to the post  
of Technician in the Indian Railways. The reasons for his non selection is  
that he had given wrong answers to four of the questions and on his  
requests for revaluation, three of the questions were found correct.

Accordingly, his marks were revised from 52 to 58. However, since he did not get the minimum requisite 60 marks for selection, he was denied selection.

4. Learned counsel for the applicant argues that one question which asked the meaning of “Pink Revolution” although answered correctly by the applicant, but the respondents’ authorities have not awarded him two marks for the same. The correct answer according to the applicant, is that Pink Revolution, refers to production of prawn fish (Jhinga Machli).

5. We are not able to accept the arguments of learned counsel for the applicant because it is a matter of common knowledge that ‘Pink Revolution’ refers to poultry and meat production, whereas prawn fish (Jhinga Machli) falls under the definition of “Blue Revolution”. The respondents have correctly marked the answer as wrong and not awarded any marks for this answer. Thus, the applicant has been rightly assessed as not qualified for the selection.

6. In view of this position there is no merit in this OA and the OA is accordingly dismissed at the admission stage itself.

7. No costs.
