e. Cost of this original Application is provided for;

f. Any other and further orders as this Hon'ble Tribunal may deem fit, proper and necessary in the facts and circumstances of the case."

2. The applicants in all the above OAs are stated to be similarly placed, the relief(s) sought by the applicants in all the OAs are stated to be identical and therefore with the consent of the parties all the aforesaid OAs have been heard together and are being disposed of by a common order.

3. The applicants commenced service with the respondents as the Goods Guard and moved in the career as Senior Goods Guard, Passenger Goods Guard and Mail Express Guard at various points of time. After the 6th CPC the Goods Guard was fitted in the Pay Band-1 with Grade Pay Rs.2800 whereas the higher level posts of Senior Goods Guard, Passenger Guard and Guard (Mail Express) were all

fitted in PB-II with Grade Pay of Rs.4200. The applicants received one promotion from the Goods Guard to Senior Goods Guard and after grant of the benefit of MACP Scheme in the Grade Pay of Rs.4600/- and 4800/- in consecutive up-gradation, the respondents have withdrawn the said benefit under the MACP on the ground that their promotion from Senior Goods Guard to Passenger Goods Guard and then to Guard (Mail Express), represented promotion and they would only be entitled for pay fixation in the same GP.

4. It is the claim of the applicants that the moment those promotional posts are kept in identical pay scale with identical Grade Pay can not be counted as promotion for the purpose of refusal of the benefits under MACP up-gradations and they are entitled to the 2nd and 3rd up-gradations on the respective dates of eligibility to the levels of GP 4600/- and 4800/-.

5. The learned counsel for the applicant relies on a catena of judgments which include the judgment of the Hon'ble High Court of Madhya

Prasdesk at Jabalpur dated 20.11.2015, in WP No.13031/2013 the Hon'ble High Court took note of the para-9 of the earlier decision of the Ernakulum Bench of this Tribunal which was favourable to the applicants and on challenge the Hon'ble High Court had granted an interim stay and the matter was pending decision before that Court. After elaborate discussion on the various arguments preferred by the petitioners and the respondents, the Hon'ble High Court of Madhya Pradesh held in para-10 and 11 as below;

"10 : We have no hesitation in accepting the aforesaid reasonings of the Division Bench of Allahabad High Court, for the simple reason that a categorical statement should have been made in that respect by the petitioners herein that in fact persons like respondent were granted the benefit of promotion in terms of the Regulations or Rules made by the petitioners in due course of time including the financial benefits and upgradation. Secondly, merely because of the merger of the pay scales any movement of Senior Goods Guard to the post of Passenger Guard was not to be treated as a promotion unless otherwise provided under the Service Rules. If it was a promotion, in what manner such consideration was done and whether that was granted to the persons like respondent in due course

of employment in terms of those Regulations or not, was required to be proved by the petitioners. Nothing in that respect has been produced before the Tribunal. A bald statement that the MACPS would not be applicable in case of persons like respondent is not enough since it is required to be demonstrated by the petitioners themselves that the said MACPS is made for a specific purpose and for specific class of employees who have remained in stagnation in the matter of promotion for a long time. Broadly interpreting the provisions of paragraph 5 and 8 of the aforesaid MACPS, we are of the considered opinion that no error of law was committed by the Tribunal in making the said Scheme applicable for the persons like respondent. However, since certain facts were not clarified by the petitioners before the Tribunal, that opportunity to conduct an enquiry in that respect and to examine the cases of each and every individual separately was granted by the Tribunal by the impugned order. We are of the considered opinion that even such an opportunity was not required to be granted to the petitioners in view of the fact that though petitioners being employer were having all the information in respect of so-called promotion of respondent, the said information was not produced before the Tribunal in adequate manner. However, we are not inclined to interfere in the order of the Tribunal only and are not willing to disturb the said liberty granted by the Tribunal for the reason the said aspect is not called in question by the respondent before us.

11 : In view of the discussions made herein above, we find no force in these writ petitions, which deserve to be and are hereby dismissed. However, looking to the facts and circumstances of the case, parties to the writ petitions to bear their own cost.

Ordered accordingly."

6. The learned counsel for the applicant also referred to the orders of the Hyderabad Bench of this Tribunal dated 10.10.2018 in a batch of cases which refers to the various decisions of the Jaipur, Ernakulum, Ranchi and Jabalpur Benches of this Tribunal and the judgment of the Hon'ble High Court of Jharkhand and Allahabad and further relies on the decision of the Principal Bench of this Tribunal in OA No.141/2012 which in turn relied on the judgments of the Hon'ble High Court of Delhi in WP(c) 3420/2000 which relates to the demand of nurses in the Ministry of Health for grant of MACP and had recorded as follows:

"13. Being on the subject the Honourable Principal Bench of this Tribunal in OA 141 of 2012 quoting Honourable Delhi High Court judgment in WP(C) No.3420/2010 reproduced below, has upheld the principle of

granting next grade pay.

'1. Whatever may be the dispute which may be raised with reference to the language of paragraph 2 of the MACPS the illustration as per para 4 of annexure 1 to the OM, contents whereof have been extracted hereinabove, make it clear that it is the next higher Grade Pay which has to be given and not the grade Pay in the next hierarchical post and thus we agree with the respondents that Inspectors have to be given the Grade Pay after 10 years of Rs.4800/- and not Rs.5400/- which is the grade Pay in the hierarchy of posts. Hence, in view of the judgment of the Hon'ble High Court, it is evident that the next higher Grade Pay has to be given and not the Grade Pay in the next hierarchical post. It is immaterial that the next hierarchical post is DNS and on that post the Grade Pay is Rs.5400/- but while granting the third financial upgradation under MACPS, the benefits to be granted as per the provisions thereof, and it is the next higher Grade Pay which is admissible to an employee, and the Grade Pay of Rs.5400/-, while granting the benefit of third MACPS ANS will be given the Grade Pay of Rs.6600/- which is the next Grade Pay.

9. Hence, in view of judgment of the Hon'ble High Court of Delhi, in view of the wordings of the MACPS, as well as in view of the MACPS allowed to the ANS of AIIMS, the applicants are entitled to the Grade Pay of Rs.6600/- and not Rs.5400/-. The order passed by the respondents dated 20.12.2011 is not in accordance with the MACPS and

it is against the very spirit of MACPS, and if the contention of the respondents is to be accepted, then to financial upgradation will be given to the ANS even after grant of third MACPS, which is not the intention of introduction of the MACP Scheme, and the applicants are entitled to the Grade Pay of Rs.6600/- and no recovery will be made from the applicants of the difference paid to them. The OA deserves to be allowed.'

14. The respondents moved the Honourable Supreme Court against the Judgment of the Honourable High Court of Jharkhand in SLP 4501/2017 dt 24.03.2017 but it was dismissed as it was found that there was no reasons to intervene. Similarly the verdict of the Honourable High Court of Allahabad was upheld by the Supreme Court in SLP No.13421 of 2014 dt. 29.08.2014.

7. The Bench also noted the dismissal of SLP No.4501/2017 vide order dated 24.03.2017 against the order/judgment of the Hon'ble High Court of Jharkhand and in similar terms the judgment of the Hon'ble High Court of Allahabad was upheld by the Hon'ble Apex Court No. 13421/2014 dated 29.08.2014. The learned counsel for the applicants also invites our attention to the para 15 of the order/judgment dated 10.10.2018 of the Hyderabad Bench which records as below:

15. When different divisions of the same zone i.e. South Central Railway and the Azmeer division of North Western Railway zone coming under the same Railway Ministry, extended the benefit under MACPS to similarly placed employees like the applicants, the proper course of action for the respondents, who are a part and parcel of the Railways, was to extend the similar benefits as was observed by the Honourable Supreme Court in **G. C. Ghosh Vs. Union of India** reported in **1992 (19) ATC 94** where it was held as under:

'In the light of the command of Article 14 and 16 of the Constitution of India the same treatment is required to be accorded to the petitioners regardless of the fact that they are serving the Eastern Railway unless it is shown that there is something distinguishing feature, for according a different treatment..'

The MACP and the pay revision have been coeval and on the recommendations of the VI Central Pay Commission. Existence of the same Grade Pay for both promotional post and the feeder grade post is not uncommon in various grades and in various departments which the Pay Commission is conscious of. And, equally conscious has been the Pay Commission when it introduced in MACP Scheme the "next higher grade pay." Instead of recommending the grade pay attached to the promotional post, the Pay Commission recommended next higher grade pay as financial upgradation. This conscious decision would be frustrated and stultified if due regard to the term 'next higher

grade pay' is not given and the Grade Pay of the promotional post is granted. In contra distinction to the earlier ACP Scheme, which afforded, the higher pay scale attached to the promotional post, the MACP contemplates only the next higher Grade Pay. The Grade Pay consists of Rs.1800, 1900, 2000, 2400, 4200, 4600, 4800, 5400, 6600, etc., Grant of the immediately next higher Grade Pay is the financial upgradation under the MACP Scheme. It has no nexus with the Grade Pay attached to the promotional post. For Example, a feeder post may carry the Grade pay of Rs.4,200 and its promotional post may have Rs.4,800 as the Grade Pay. When a person stagnates in the Grade Pay of Rs.4,200/- without getting the next promotion which carries a grade pay of Rs.4,800/-, he becomes entitled for grant of financial upgradation, which would be the Grade Pay of Rs.4600/- and not 4,800/-. This next higher grade envisaged in the MACP Scheme, is thus, independent of the grade pay attached to the next promotional post."

8. While passing orders in the matter the Hyderabad Bench also held that the respondents should treat their orders in rem only the guidelines in the OA are issued in order to not drive similarly placed employees for similar reliefs to this Tribunal and who are working in Railway Board.

9. The learned counsel for the applicants also affirms that all these judgments have already been implemented and submits that he has evidence to show that the decision in the judgment of the Hon'ble High Court of Allahabad has since been implemented.

10. Further, he also relied on the judgment of the Ernakulum Bench of this Tribunal dated 11.04.2019 in OA No.917/2014 which had duly noted that the fact that its previous order had been stayed by the Hon'ble High Court of Kerala but then goes on to record that the same cannot be a reason to disagree with the decision of the Bench taken in OA No.650/2011 being under consideration before the Hon'ble High Court and the order not attaining finality and the same would not preclude them from adopting the same stand.

11. The learned counsel for the respondents has stated that the recent orders of the Tribunal, Bench at Ernakulum had also been taken to the Hon'ble High Court and orders were awaited and would presumably be heard along with the case

which has already been stayed. He argues that the decision of the Bench at Hyderabad and of Jabalpur all rested eventually on the original decision of the Ernakulum Bench. In particular he referred to the applicants set out in the recent order dated 11.04.2019 of the Ernakulum Bench which states that the various posts involved in the career progression of the applicants have not been merged but only their scale have been merged to the extent that certain posts now have the same Grade Pay and therefore, the applicants were only entitled to pay fixation as recommended by the Authorized body which is the 6th CPC and the applicants were therefore entitled only to pay fixation as prescribed.

12. He further contends that the concerned posts are stated to subsist and are not merged even today and are not merged. With regard to the reliance on the dismissal on the Hon'ble Apex Court the learned counsel for the respondents refers to the compilation of judgments submitted by him which includes the guidelines set out in

the case of Kumai Ahmed and Ors. reported in 2000

(6) SCC 359 dated 19.07.2000 to argue that the mere dismissal of the SLP will not become a binding precedent and this Tribunal is required to consider that the original order/judgment of this Tribunal at Ernakumam Bench has been stayed by the Hon'ble High Court of Kerala and many of the subsequent judgments of Ernakumun Bench of this Tribunal have been the subject matter of the challenge before the Hon'ble High Court of Kerala and the same are yet to be adjudicated.

13. We have heard the learned counsels for the parties and have carefully perused the case record.

14. It is an admitted fact that the reliefs have been granted by order and judgments of various benches of this Tribunal and the Hon'ble High Court(s) at various locations to similarly placed persons. The facts are similar in these cases and the logic adopted in them are in similar lines. It is also not in dispute that the judgment of the Hon'ble High Court of Allahabad, referred

to herein above has attained finality in as much as the same has been implemented by the respondents i.e. other zones of the Railway. It is also evident from the aforesaid that the judgment of the Ranchi Bench of this Tribunal has attained finality in as much as the WP filed against the same as well as the SLP filed before the Hon'ble Apex Court has been dismissed.

15. We cannot ignore the fact that the judgment of the Hon'ble High Courts are binding upon this Tribunal.

16. In these circumstances, these OAs deserve to be allowed and are accordingly allowed.

17. The orders impugned in the respective OAs are quashed and set aside. The respondents are directed to grant 2nd and 3rd financial up-gradation to the applicants in immediate next higher grade(s) pay under MACP to the applicants from the dates from which the same have become due to the applicants along with the consequential benefits like fixation of pay from time to time with increments, payment of arrears, increments

and other admissible benefits flowing therefrom with interest @ 6.5% p.a. on the arrears.

18. It is further directed that in case any recovery has been made from the applicants in view of the impugned orders, the respondents are directed to refund the same to the respective applicants with interest at the rate of 6.5% p.a. from the date the same was recovered till payment thereof.

19. The aforesaid exercise shall be completed by the respondents as expeditiously as possible and in any case within 10 weeks from the date of receipt of certified copy of this order.

20. There shall be no orders as to costs.

From prepages:

Although I concur with the views expressed based on the judgements of various High Courts and orders of benches of this Tribunal that have attained finality, many of those orders have relied on the orders of the coordinate Bench of this Tribunal at Ernakulam that specifically distinguished the movement of a Senior Goods Guard to Passenger and Mail/Express Guard as a lateral movement in opposition to a promotion and on that basis, declared that the Applicants were entitled to the benefits of upgradation under the MACP Scheme and then, apart from declaring that their orders should operate in rem, directed the Respondents to consider and pass appropriate orders. Now, with subsequent judgements of the High Courts and dismissals of SLP by the Hon'ble Apex Court, the position in law with regard to the revised interpretation of Respondents that these are not promotions for the purpose of MACP is settled.

2. However, the meaning of the terms 'lateral' and 'promotion' need to be understood in terms of their definitions:

Lateral:

(Adjective): To the side; of or pertaining to the side as in "Instead of a promotion, I opted for a lateral move to a similar position in the marketing department;"

(Noun): An object, such as a passage or a protrusion, that is situated on the side of

something else; or specifically, an employee hired for a position at the same organizational level or salary as their previous position;

(Verb) : To move (oneself or something) in a lateral direction.

Promotion:

(Noun) : An advancement in rank or position.

3. A lateral induction would, therefore, not ordinarily involve any change in salary level or rank but a mere re-designation although the employer's policy may yield some benefits including higher allowances or personal pay attached to the other, lateral post to which an employee is moved. Moreover, an employee may also seek movement back into his old post for whatever reason. In the present case, both an increment in the same pay scale and higher allowances as personal pay against the post, have been given which complicates the situation since no movement backwards is permitted, it would appear, and only the alternative opportunity is available for such employees to refuse the so-called lateral movement and this is the situation in some OAs in Mumbai where the employee does not wish to be transferred from his existing station for personal reasons and refuse promotions that entail a transfer. Therefore, these three posts with the same Grade Pay are strictly not lateral transfers. Nor are they to be considered as promotions for the purpose of grant of MACP as

held by precedent orders and judgements.

4. Therefore, while implementing these orders, Respondents will necessarily have to comprehend their policy on the movement between the three 'Senior' categories with Grade Pay Rs 4200 in regard to grant of increment and grant of higher allowances for each post, as personal pay and then grant them the MACP benefit now ordered, consonant with these orders and the policy referred above. The mechanics of this aspect were not agitated in this OA nor any orders sought and we refrain from further expressing our views.

5. Further, we notice that both parties have made pleadings on the fact that some of the Applicants commenced their career as Commercial clerks and opted to participate in the LDCE exam for selection as Goods Guard, which has the same pay scale and Grade Pay as that of the Commercial Clerk. However, this aspect was not argued in the final hearing nor does it find place in the reliefs sought which rest on only the legal point that the said lateral movement is not a promotion for the purposes of MACP. Therefore, we will refrain from taking a view on also this aspect.

6. The respondents shall regulate the MACP benefits for Applicants accordingly.
