ORDER (BY CIRCULATION)

This review application has been filed by Sh. T.J.S. Chawla, applicant in OA-173/87 decided on 28.9.1993. His application had earlier been dismissed in default on 4.11.1993. It was later restored but even on the final date of hearing no one was present on behalf of the applicant. The Tribunal proceeded to dispose of this O.A. on the basis of available record including the original file containing the confidential reports of the applicant.

Having gone through the review application, I find that it contains nothing but arguments on
