Hon'ble Shri Justice S. C. Mathur -

Since the application for condonation of delay (M.A. No. 1516/1995) in filing the review application has been rejected, this review application is also liable to be rejected as barred by time.

2. Apart from the delay, we have examined the review application on merits also and we find that no case for review has been made out. Detailed reasons have been given for holding that there was no disobedience of the Tribunal's order. If the applicant is aggrieved by those reasons, his remedy lies in approaching the higher court.
