..Respondents.

BY CIRCULATION

ORDER

SHRI P.T.THIRUVENGADAM, M(A)

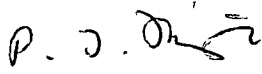

O.A.No.1723/88 was dismissed being barred by limitation. In the order it has been mentioned that the representations of the applicant were withheld and the applicant was advised by letter dated 6-6-86 about the withholding of the representation. The relevant representations of the applicant were dated 5-7-85 and 27-3-86 and were in the form of a memorial to be considered by the President. In the letter dated 6-6-86 it has been mentioned that the contents of the representation submitted by the applicant were against the provisions of statutory rules and hence the representations had been withheld.

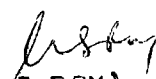

2. In this Review Application the applicant.

has once again referred to the further representation submitted by him on 23-5-87 over the rejection/ withholding of the representations as communicated by the department in its letter dated 6-6-86. We have already held that the memorial having been withheld in June 1986, the cause of action cannot get extended by further representations.

3. This ground has already been discussed in the original order at the time of disposal of the O.A. There is no other worthwhile ground which has been advanced in the Review Application.

4. As per order 47 in C.P.C., scope for review is very limited. The Review Application cannot be used as an opportunity for filing an appeal. In the circumstances, the Review Application is dismissed.
