J U D G M E N T (ORAL)

(By Hon'ble Mr. Justice V. S. Malimath)

The judgment has since been complied with. The petitioner has been reinstated in service promptly. There was, however, delay of nearly one year in paying consequential monetary benefits to the petitioner. It was explained the delay was on account of the administrative difficulties in securing records of the old case and that it is regretted. The respondents having promptly reinstating the petitioner in service and we having shown indulgence by directing that the inquiry should not be continued, we are not inclined having regard to the totality of the circumstances, to award interest as prayed for by the learned counsel for the petitioner. These proceedings are accordingly dropped.
