The complaint in this contempt application is that the respondent acted in violation of the interim order passed on 6.10.89 by this Tribunal. The interim order was passed to the effect that status-quo so far as the departmental proceedings are concerned, should be maintained. The allegation is that inspite of the stay order, the departmental proceedings were continued. On 4.4.90, the Tribunal permitted the respondents to start the departmental proceedings after the disposal of the representation of the applicant. To-day we have dismissed OA.1533/89 wherein the said interim order was passed. We feel that no purpose would be served now in pursuing the contempt application. The contempt petition is dismissed. Notice issued to the respondent is discharged.
