JUDGEMENT (ORAL)

(By Hon'ble Mr. Justice V.S. Malimath, Chairman)

The respondents have filed an order to show that the judgement of the Tribunal made on 21.2.1992 has been complied with. When the matter came on last occasion, the petitioner appeared in person and on his request we adjourned this case to this day to enable him to file a memo of calculations, if he finds that any of the items given in the memo of calculations furnished by the respondent are not acceptable to him with reasons in support of his contention. The petitioner was not present though called twice. He has also not filed any memo of calculations at variance with the compliance report filed by the respondent. Hence, it is reasonable to infer that the petitioner has no grievance about due compliance. These proceedings are dropped accordingly.
