

17.8.1990.

None present for the applicant.

None was present even on the last date, i.e., 10.8.1990. We have perused the application and we find that the relief in regard to seniority vis-a-vis respondent no.3 is prima facie barred by limitation. As regards non consideration for further promotion as Divisional Telegraphic Traffic Inspector, the eligibility will depend on the applicant's seniority for which the applicant has not filed any seniority list of the eligible persons on the grade.

In view of the incomplete information in the application and for want of prosecution the application cannot be <sup>admitted</sup> ~~maintained~~ and is accordingly rejected.
