O R D E R (ORAL)

Hon'ble Mr. Justice V. S. Malimath —

The respondents have substantially complied with the order of the Tribunal by fixing the petitioners in appropriate scales as directed by the Tribunal. So far as the consequential benefits are concerned, it is stated in the reply that they are being worked out on priority and would be released shortly in due course. As the respondents have already complied with the directions substantially and have undertaken to grant consequential benefits on priority basis, we see no good grounds to pursue

these proceedings. We record the said undertaking that consequential benefits will be worked out and given expeditiously. These proceedings are accordingly dropped.
